

Section 28 Cover Page

Purpose:

The following **ITP Template** is structured in a manner that we believe addresses all policy requirements of an ITP for Section 28, and includes all needed elements for an KEPRO Prior Authorization (PA) or Continued Stay Review (CSR) (except for the Referral Packet* mentioned below). Our objective for providing the ITP template is to capture, on a single document, all information from the clinician for both an ITP and PA request, which will enable a district administrator to submit the request through KEPRO.

Please remember, KEPRO also requires a **Referral Packet to be completed in addition to an ITP for each student receiving Section 28 services. The packet can be found as a [pdf](#) on the EDMS Website (eddatasolutions.com) under Resources/Maine/Section 28/" Referral." It can also be found as a Word document [here](#) on KEPRO's Website.*

If your clinician desires to continue using his/her own ITP, they should be encouraged to compare their version with our Suggested Template to ensure all policy requirements are included. Your district Program Specialist would be happy to discuss these items with them.
